Secty Treas – Minutes from July are approved. Shooter fees are coming in slowly. Watching bank balance to ensure enough for the WAO opening bank.

Executive Director –

- Numbers are good this season. Two new teams in Ashburn & Warrrenton. Work on solution for PROBLEM in DC, Bedrock only has 2 board and 4 teams signed up. Board discussed other possible DC dart locations.
- Issues at O'Briens in Warrenton, numbers too high, due to A players causing 20-5 loss. Discussed how to deal with these uncompetitive matches. In FUTURE, setup something for players with no DartConnect average – play 10 games in DartConnect to establish an average.

- RD provides finals board + 15 stanchions for $500 plus pre-reg = $644 total cost.
- WADAfiers are done. Have $65 left over for women. Board agreed it should go to the next player so it will be offered to Tammy Ryan from MD as partial payment on a Pre-Reg.
